Dear Colleagues,

Welcome to the Summer 2016 edition of the College of Education EXPLORE newsletter. As we enter into the summer, I want to take this opportunity to thank Dean Ochoa for his leadership and support for the College. I also want to acknowledge and thank Dr. Glenabah Martinez for serving over the past academic year as Associate Dean for Educator Preparation and Development.

I am pleased to announce that we had another exceptional year for scholarly productivity and external funding in the College. A current list of awards is included in this edition and documentation of the publications of COE faculty for 2015-16 will be forthcoming on the COE research webpage in the coming few weeks. I would like to thank everyone for your efforts and enthusiasm.

As you know, I will be on sabbatical in the Fall 2016 Semester. I will be working with Dr. Christina Perry this summer for a smooth transition as she will assume the duties of the Associate Dean for Research and Community Engagement while I am on sabbatical.

Enjoy the summer edition and I welcome your feedback, input and ideas for future editions.

Dr. David Scott
Associate Dean for Research & Community Engagement

SPECIAL THANKS!

I want to take this opportunity to extend my gratitude and appreciation for the dedicated efforts of our administrative staff across the College of Education. This support for our research activities is essential to the scholarly pursuits and advancement of COE.

David Scott

**PIVOT**

The University of New Mexico uses Pivot to assist with prospect research and research development. The Pivot database contains pre-populated scholar profiles from the Community of Science database for faculty at UNM and matches them to current federal and non-federal funding opportunities.

UNM faculty members are responsible for keeping their Pivot profile up to date. Users can LOG IN to search for funding opportunities as well as potential research collaborators, both internal and external to UNM.

**PIVOT Funding Training Guide**

Click on the links above to get started with a few brief on-line tutorials for creating your Pivot Account, and claiming your Pivot Profile. While you’re there, try out the Pivot search box. Please keep in mind that you do not need to claim your Pivot profile to use the search box, but you will need to register in Pivot in order to receive Limited Competition Alerts.

This process enables the COE Research Support Team to meet with you and discuss your ideas, plans, and/or thoughts in order to facilitate the process for you.
Advisor's Corner: Guide to On-Campus Student Funding

GPSA Summer Scholarship Fund
This initiative by GPSA has been launched and students are invited to spread the word. The summer semester helps students to matriculate on time, focus on a research project, and complete their seminal works. For students with families, being able to spread their coursework over three semesters a year instead of two is a way to take the stress out of juggling responsibilities. GPSA hopes to assist students through an award to cover tuition cost in summers to come with the GPSA Summer Scholarship. Check the website for more information!

Doctoral Conference Presentation Award
The Doctoral Conference Presentation Award provides up to $1000 to fund travel for doctoral students (MFA included) to give oral presentations or posters at national or international, professional conferences. Funds may only be used for travel expenses, lodging, meals, and conference application fees. Applications will not be accepted for research travel. Airfare, registration, hotel, shuttle fees, taxi fares, presentation materials and per diem must be in accordance with UNM policy. Travel must be outside of Albuquerque. Eligible students must be enrolled in a doctoral or MFA program at the time of application. Students must be registered as full time.

Graduate Student Excellence Awards
The GSEA supports College of Education PhD students to pursue full-time doctoral studies through activities related to their professional and/or scholarly transformation. Doctoral students who have been admitted to a COE doctoral degree program are eligible. Individual recipients are eligible for up to four years of GSEA funding contingent upon adequate academic progress, positive evaluation in their assistantship responsibilities, maintaining full-time doctoral study (i.e. a minimum of six graduate credit hours per fall and spring semester), and annually submitting a written statement of reflection to their supervisor and department chair. The assistantship duties can consist of teaching activities such as co-teaching or interning, scholarly work, and service activities of a nature directly relevant to the professional career goals of the student (e.g., assisting with accreditation or accountability reports). Doctoral students interested in the GSEA should contact their respective faculty advisor or department chair for information on availability.

College of Education Emergency Grant Fund
The purpose of the Emergency Grant Fund is to provide financial assistance to COE students who have encountered a sudden, unforeseen catastrophic life event that causes a dire financial burden on a student's ability to maintain adequate academic progress.

Graduate Student Success Scholarship
Graduate Studies and the Office of Financial Aid jointly administer the Graduate Student Success Scholarship (GSSS) for graduate students with demonstrable financial need. Designed to help students continue or complete their degree programs, the Success Scholarship allocates funds to the colleges and schools so that they can use the scholarships strategically for their graduate programs. The GSSS provides support for program continuation and completion. The GSSS provides at least $1,000 and up to $7,500 per student per semester for terminal master’s degree students and at least $1,000 and up to $9,000 per student per semester for doctoral students. The scholarships may be renewable up to two semesters. Tuition and health care are not included as part of the award.

The COE runs its own process for selecting nominations. Graduate Studies does not accept nominations directly from graduate units or graduate students. Announcements will go out on COE listservs. Be sure to check your UNM email.

Graduate Research Supplement
Offered by the Office of Graduate Studies, the Graduate Research Supplement awards up to $2,000 to facilitate completion of the MFA or PhD dissertation. These awards support direct expenses incurred for archival or field research. This award may not be used for travel, research and research materials or per diem associated with travel at the time of travel. Applications must be accompanied by the UNM Career Services Student Conference Award Program (S-CAP) Announcement, which will go out in February and March. The S-CAP application must be submitted prior to the conference. The Office of Career Services administers the S-CAP program. Students must be enrolled in a graduate degree program and must demonstrate financial need. Funds may only be used for travel/lodging and research materials and per diem must be in accordance with UNM policy. Travel must be outside of Albuquerque. Funds may be used only for travel and lodging and research materials that are necessary to conduct the field/project research. Airfare, lodging, and per diem must be in accordance with UNM policy. Travel must be outside of Albuquerque.

Rogers Research/Project Award
Offered by the Office of Graduate Studies, the Rogers Research/Project Award provides funding up to $1000 to facilitate field research including artistic projects. Funds may be used only for travel, lodging, and field research. This award may not be used for theses, books, travel to conferences, or research expenses. Please see the description on the Graduate Studies website link below for details on application requirements.

UNM Career Services Student Conference Award Program (S-CAP)
The Student Conference Award Program (S-CAP) is designed to provide undergraduate and graduate students the opportunity to obtain funding to attend an academic or professional conference in their field of study. The maximum award is $600 and may include: round trip travel, lodging, airport shuttle or taxi fees, and conference registration fees. Your application must be submitted prior to the conference. The Office of Career Services begins accepting applications for each semester one month prior to the first day of instruction.
El Centro de la Raza Scholarships - Emergency Student Scholarships
El Centro offers the “emergency student scholarship” that is available to any UNM student who can demonstrate critical financial need for the current semester. Undergraduate emergency scholarship recipients are provided one $200 scholarship award (only one allowed per academic year). Graduate emergency scholarship recipients are provided one $400 scholarship award (only one allowed per academic year). Scholarships are provided on a first come, first serve basis and will be available beginning of Spring, Fall and Summer semesters.

El Centro de la Raza Scholarships - Student Professional Development Scholarships
El Centro offers the “student professional development scholarship” that is available to any undergraduate or graduate student seeking financial assistance to participate or present at a professional or academic conference. Scholarship recipients are provided a scholarship award up to $300 maximum and only one will be allowed per academic year, per student. Scholarships are provided on a first come, first serve basis and will be available beginning of Spring, Fall and Summer semesters.

University of New Mexico Alumni Scholarship Opportunities
Thanks to the gifts from alumni, friends, and chapters, the UNM Alumni Association assists top UNM students with their academic expenses. The scholarships are available to full-time undergraduate and graduate students. Scholarship amounts may change annually.

American Indian Student Services
General Scholarship
Enrollment in and member of a federally recognized tribe is required. Applicants must have completed at least one semester of coursework at UNM-Main Campus to be considered and the majority of awards will be based on grade point average and a combination of other factors, including, but not limited to: field of study, leadership experience, financial need or unmet need.

GPSA Student Research Grant (SRG)
The SRG may fund travel and lodging to conduct research in the field (includes artistic projects like photography or dance), the cost of research materials, and/or travel/lodging and conference fees for conferences at which the applicant is making a presentation. This award funds up to $500. Check GPSA website for grant cycle deadlines and requirements.

GPSA Professional Development Grant (PDG)
The PDG may fund travel/lodging and fees for job interviews, auditions, clinicals, mock trials, unpaid internships, conferences at which the applicant is not making a presentation, and other professional development travel or related expenses. May not fund expenses eligible for the SRG. This award funds up to $500. Check GPSA website for grant cycle deadlines and requirements.

GPSA Graduate Scholarship Fund (GSF)
Every Fall and Spring semester, GPSA awards $1,000 scholarships to students through the Graduate Scholarship Fund. This fund was created to help students afford to complete their graduate or professional degree. Graduate and professional students in good standing in a UNM graduate or professional degree program are eligible for the scholarship. Preference is given to students near the completion of their studies who demonstrate significant financial need.

GPSA New Mexico Research Grant (NMRG)
The NMRG may fund travel, lodging, supplies, and other costs related to field research. Projects with a New Mexico state agency, nonprofit or community organization require a letter of recommendation from a representative of the organization, and are eligible for up to $5,000 (High Priority). Other research projects are eligible for up to $3,000 (General Priority). Offered only in the FALL semester.
